Personal Summary

Recently graduated from Delaware County Community College with a degree in Web Development. Skilled multitasker with a superior work ethic and good teamwork, problem-solving, fast learning, and organizational skills. Willing to take on any task to help the team. Reliable and dedicated team player with a hardworking and resourceful approach.

WORK HISTORY

Cultural Care – Au Pair

Tampa, PA, Mahopac, NY 2/2016–2/2018

- Provided developmentally appropriate activities for children.
- Provided reliable transportation to appointments, activities, and outings while maintaining safety standards.
- Acted as a responsible role model by demonstrating respect, kindness, and healthy habits to the host family's children.
- Enhanced families' daily routines by providing attentive childcare and maintaining a safe, nurturing environment.
- Facilitated bedtime routines by reading stories and engaging in relaxation techniques, promoting restful sleep for the children.

The Virgo Hotel & Hostel – Hotel Front Desk Receptionist

Chiang Mai, Thailand – 09/2015 - 02/2016

- Collected room deposits, fees, and payments.
- Contacted the housekeeping staff and maintenance department to resolve issues with guest rooms.
- Handled cash transactions accurately, ensuring proper accounting procedures were followed daily.
- Assisted in increasing hotel occupancy rates by proficiently handling reservations and room assignments.
- Coordinated with housekeeping staff to ensure timely turnover of rooms for incoming guests while maintaining cleanliness standards.
- Confirmed relevant guest information and payment methods to prevent fraud.

Big Camera – Sales Associate

Chiang Mai, Thailand – 8/2014-8/2015

- Drove store revenue by offering customers accessories and related purchases to complete selections.
- Identified and resolved complex issues by applying advanced analytical and troubleshooting strategies.
- Explained features and advantages of camera products or services to promote sales.
- Set and achieved company-defined sales goals.
- Built relationships with customers and the community to promote long-term business growth.
- Logged reports, expenses, receipts, and sales in the company database.

PROJECTS

- TaskTastic: designed and coded a website listing daily tasks, including groceries, with the ability to mark tasks as complete.
- Test Score App: developed a website for calculating and summarizing entered-name scores.
- Bunny Project: designed and coded a website about pet rabbits using HTML, CSS, and JavaScript. The website provided facts about rabbits and guidance on how to care for them.
- Bunny Slideshow: created a website with a slideshow feature using JavaScript, HTML, and CSS.
- Tadpole Metamorphose: the project focused on transforming tadpoles into frogs by clicking a button and providing relevant facts.
- Mad Lip: designed a fun game allowing users to input words into placeholders, generating and displaying amusing results.
- Stopwatch: developed a stopwatch using JavaScript, HTML, and CSS with hour, minute, and second features.
- Tax Calculator: created a project allowing users to input product prices and tax percentages, calculating the total with tax.

VOLUNTEER EXPERIENCE

- Keep Music Alive: Contributed to Keep Music Alive, guiding children through a petting zoo concept that focuses on introducing diverse musical instruments worldwide.
- Night Nation Run: help the sponsor hand out drinks for people who join the run and clean up afterward.
